Welcome to StudyPortalTurkey

About Us

StudyPortalTurkey was founded by Educatek Ltd. company which has been in the education business since 2007. Educatek is dealing with education consultancy, corporate trainings and student services. This portal was founded to provide world class service to universities and higher education institutes in marketing and provide service to individual students and parents.

The portal also provides a platform for agents to manage recruitment and application processes.

Why Choose us

01

Students, higher education institutes and student recruitment agents are getting the benefit of quality recruitment all on the same platform.

Our Mission

02

To provide quality service in the recruitment process for all stakeholders of international recruitment and mobility.

Our Vision

03

To be one of the most prestigious and trusted platforms for recruitment to Turkish higher education institutes.
