Our aim is to see university education as the personal development process of individuals; is to be the leading institution that brings dormitory service to multi- dimensional service provision and constantly improves it.

Educa Male Dormitory, where hundreds of higher education students have received dormitory services since 2009, provides accommodation in the heart of Istanbul with its high security and comfort in the concept of boutique hotel. The campus building, whose earthquake safety is approved, is located right next to the E5 highway and 100 meters from the Beşyol metrobus stop. Educa Male Dormitory offers students a peaceful environment with its single, triple and quadruple rooms, 41 rooms with different options and 65 beds, all designed by architects for the best living and working conditions. In the modern campus, which has large social areas and a 1,200 square meter closed area, 24/7 security is provided, while students' entrances and exits are realized and recorded with an eye recognition system. Educa Male Dormitory, advanced security standard; superior service quality, physical comfort; cafeterias and restaurants; It offers a dormitory service that will make higher education students say "what more I want" with its sports, entertainment and recreation areas.

Services

- **24/7 Security**
  The security of our dormitory building against earthquake risk has been approved. There is an automatic fire safety and extinguishing system in all our buildings and rooms. Security of the whole building and common areas is ensured by the camera recording and monitoring system. Our competent security personnel work 24 hours a day, 7 days a week. Entry and exit of the dormitory take place under the eye recognition system and employee supervision.
- **Vehicle Supply and Transfer**
  Although we are only 200 meters away from public transportation, students are provided with vehicles and transfer if needed.
- **Laundry Service**
  There is a large capacity laundry room to meet the laundry needs of the students in our dormitory and our students are provided with washing, drying and ironing services through our professional cleaning staff.
- **Uninterrupted Hot Water**
  There is 24-hour hot water in all dormitories and rooms with central heating system. Against water cuts, water cuts are prevented with the existing and sufficient water tank.
- **Super-Fast Internet Access**
  Considering that the internet is the basic need of learning, 24/7, uninterrupted internet access is provided continuously.
- **Floor and Room Cleaning**
  Cleaning and hygiene are the main characteristics of Eduka Student

Dormitories. All our buildings, floors and common areas are cleaned daily and the rooms are cleaned twice a week by our professional cleaning staff.

- **Maintenance and Repair Service**
  Our professional team provides full service and support during working hours for the maintenance and repair needs of our rooms and interior materials.
- **Accommodation for Parents**
  When the parents of the students come to visit, accommodation is provided as much as possible as a solution to the accommodation problem.
