

JOIN OUR PARTNER UNIVERSITIES

International student recruitment during the coronavirus crisis presents a range of complex challenges for higher education institutions.

To better inform and support prospective international students with your recruitment efforts, Study Portal Turkey offers you tailor your strategy in international marketing.

Study Portal Turkey provides the Partner Universities with an excellent opportunity to create a new marketing channel to promote the programmes and facilities of your university to thousands of prospective students and hundreds of agencies and representatives all over the world.

By using this portal, your institution can better reach prospective students throughout this crisis and in future.

Please fill out the form if you want us to undertake result-based and partnership-based digital marketing of your university and the university to take part in this portal.
