

Biruni University, with an aim to find and train our country's next generation of Birunis, took its place within the Turkish system of higher education as a civil corporation after the Dünya Education Foundation applied to the Turkish Grand National Assembly according to Law number 6525 on 27 February 2014.

The goal of our university is to have an academic cadre from the best ones in their fields. To have an infrastructure, wages policy and performance measuring system that motivates academic staff to work more eagerly. To elicit the best students of our country, to support them economically and to award their success. To obtain national and international accreditation. To establish research laboratories which are equipped with the latest technology.
