

Çankırı Karatekin University is a public university established in 2007 in the city of Çankırı.

Çankırı Karatekin University, which takes on universal criteria and ethical values in education and research and adopts community benefit and stakeholder satisfaction as its principle; aims to raise individuals who are capable of thinking critically, possessing professional competence, equipped with lifelong learning philosophy, producing, applying and disseminating new information; and to compete internationally in scientific and artistic fields.

Çankırı Karatekin University aims to be an innovative, pioneer in international education and research, preferred and adopted by students, researchers and employees.

Çankırı Karatekin University adopts the “living campus” approach by considering the social and cultural development it provides, as well as the academic and intellectual development of its students. With the Living Campus, students are educated in an equipped campus, where they can access all their academic and social needs whenever they want.
