

Cyprus Health and Social Sciences University was established in Güzelyurt, a city of the Turkish Republic of Northern Cyprus in 2016. Cyprus Health and Social Sciences University has received Turkish Higher Education Council accreditation as health practice center in 2017 and as of 2017-2018 academic year, it has become an education and living space that will continue to grow with students from Turkey and many other countries. The university currently has 80,000 m² open area of and 20,000 m² indoor area which provide capacity for 10,000 students.

Established with an application-oriented infrastructure, Cyprus Health and Social Sciences University, continues its education activities as a campus university in the center of the city with all its faculties, colleges, institutes, laboratories, studios, computer centers, cultural centers, library, dormitories and other social and sports facilities.

About Cyprus

In Cyprus, where a population of 350 thousand people, nearly 90 thousand higher education students are studying. 70% of this number consists of Turkish students. In this case, we can say that it is a complete education island for Cyprus. Interest in education in Cyprus is expected to increase even more with almost 100% scholarship opportunities based on affordable living conditions and student success.
