

Lokman Hekim University started its academic activities in the 2018-2019 academic year. Our university continues to educate and train 3,945 students in 15 undergraduate programs across 5 faculties: the Faculty of Medicine, the Faculty of Dentistry, the Faculty of Pharmacy, the Faculty of Health Sciences, the Faculty of Sport Sciences, and the Vocational School of Health Services. Additionally, we offer 11 associate degree programs in 1 School. Our Health Sciences Institute further expands educational opportunities with 27 Master's with Thesis, 6 Master's without Thesis, and 16 search Centres.

Our university celebrated its first graduates on August 12, 2020, from the First and Emergency Aid Technician and Anaesthesia Technician Programs within the Vocational School of Health Services.

- As a pioneer institution in health education with a research-development-oriented corporate culture, we hold a mission to cultivate individuals who:
- Possess the competence to realize their potential anywhere in the world.
- Master the information and technologies of the age.
- Produce scientific knowledge and contribute to the local, regional, and national economy.
- Value and nurture healthy life on individual and social levels.
- Uphold ethical values.
